

Christian Aid Mission Partnership (C.A.M.P.)

If you've been looking for a way to help your neighbors, meet new people and have fun in the process, volunteering at C.A.M.P. just might be the answer.

C.A.M.P.'s food pantry and clothing closet assist families in Powder Springs, Austell, Mableton, Clarkdale, Lithia Springs and East Douglas County. By helping our neighbors with basic needs, their financial resources can be used more effectively to cover expenses like rent, utilities and medications.

Volunteers are the lifeblood of our organization. Without them—without you—we could not serve the thousands of struggling families that we help each month.
